

Boiler Re

FM Boiler Re Online Accounting reporting

Submit your quarterly premium summary and quarterly losses summary through our portal, FM Boiler Re Online. The convenient, user-friendly form will auto-calculate totals and send a confirmation email after each submission.

Account registration

- Request access to FM Boiler Re Online by sending an email to fmboilerreonline@fm.com.
- For security purposes an FM Boiler Re team member reviews each request and will initiate registration shortly after validating the new request.

Submit quarterly premium summary

- After logging into FM Boiler Re Online at www.fmboilerreonline.com, navigate to the accounting dashboard.
- Select submit under “Quarterly Premium Summary” to be redirected to the submission form.
- Complete the form, entering values for each product separately, and click submit.
- Review confirmation email, including details such as the quarter, products and net due for all products.

Submit quarterly losses summary

- After logging into FM Boiler Re Online at www.fmboilerreonline.com, navigate to the accounting dashboard.
- Select upload under “Quarterly Losses Summary” to be redirected to the submission form.
- Complete the form, upload an excel file and click submit.
- Review confirmation email.
